Engagement Letter

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the service we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your federal and requested state income tax returns from the information you will furnish to us. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all documents, canceled checks, and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to the taxing authority. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.

Our work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined necessary for the preparation of your income tax returns.

We will use professional judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretation of the law and other supportable positions. Unless otherwise instructed by you, we will resolve such questions in your favor whenever possible.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government examination, we will be available upon request to assist you and will render additional invoices for the time and expenses incurred.

Our fees for these services will be based upon the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable upon presentation.

If the forgoing fairly sets forth your understanding, please sign in the space indicated and return this entire package to our office. We want to express our appreciation for this opportunity to work with you.

| Sincerely, | | |

Note: You cannot take AOTC and the Lifetime Learning Credit for the same student.

For the AOTC and Lifetime Learning Credit, you may claim qualified expenses and fees for yourself, your spouse and/or your dependents. For AOTC your child must be enrolled at least half-time in the first four years of their undergraduate degree program. If you are married, you must file a joint return to receive either of these credits.

The IRS defines qualified expenses as the tuition and fees an individual is required to pay in order to be enrolled or attend an eligible institution.
